Required:

Patti Pattern – paper copy, can be obtained one of two ways:

- 1) Purchase the digital version in advance and print it
\$15 on <https://www.etsy.com/shop/Paganoonoo?ref=l2-shopheader-name> ...OR...
- 2) Purchase a paper copy at the workshop, \$22

3 Men's dress shirts (A limited number of shirts will be for sale at the workshop. \$10 ea.)

- Recommend choosing **shades of the same color**, or **patterns in the same color** for a pleasing result. Sometimes this means a trip to more than one thrift store but it is worth it in the end!
- **Iron / wrinkle free?** Be aware that many cotton shirts will require ironing. If you aren't willing to iron look carefully at what you are purchasing. If it looks wrinkled on the hanger or wrinkles when crushed in your hand it will only get worse.
- **Base shirt** - The key to fit! This is shirt that we will build on, leaving the upper torso intact. **Must fit well through the shoulders, neck, and bust line.** The hips can be too tight, ease will be added in. P.S. Chose a flattering color for you (makes a huge difference!)

Equipment and Notions:

- Sewing Machine** ideally with zigzag capabilities (although not required)
- Thread, Hand sewing needles, Scissors, Seam ripper
- Long sturdy pins (like quilting pins) or large safety pins
- Snaps, smallish to close any peek-a-boo gaps
- Dressmaker's chalk, or chalkoner, etc., Tape Measure, Long ruler 18" to 24" if you can
- Dress form if you have one (makes a huge difference and can be done without)
- ¼ yd muslin or other light cotton
- Colored pencils if you have them (optional)
- Extension cords, irons to share, ironing pad

Optional:

- Extra buttons** to replace or supplement those already on the shirts, color is up to you, I recommend the same color family or colors exactly opposite on a color wheel
